

What's So Cool About Manufacturing Student Video Contest Time Line

January 10-February 20: Registrations accepted

February 1- February 28 (may start sooner)

- Establish student team(s) and team member roles
- Share further details of rules, expectations, and timelines
- Watch video resources on Dream It. Do It. Minnesota website
- By February 12- Schedule half day of filming at manufacturer to take place between February 19 – March 18 (manufacturer can be chosen by school or assigned by DIDI Outreach Coordinator)
- Media Release Form signed & submitted prior to filming manufacturing
- Research and Know Your assigned manufacturer
- Create your story line
 - What point are you trying to get across?
 - What facts or information do you need to gather/record to support your point?
 - Who will you need to talk to in the company to get that information?
 - What questions will you ask during the interviews?
 - What types of images/video shots will you need?

March 1—March 15: film at location

March 16—31: edit video

March 31: Upload video file to Youtube, using private setting, and share link with manufacturer for FINAL REVIEW & APPROVAL

April 14: Upload final video (now approved by manufacturer) to Youtube, using public setting

April 14 – April 29: People's Choice voting open

April 29: Judging completed for 1st, 2nd and 3rd place

May 8, 2018: Awards Ceremony (location to be announced)
